## **ArmorGalv<sup>®</sup> PRESS RELEASE**

THE US EPA RECOGNIZES THE **ArmorGalv<sup>®</sup>** PROCESS

Elk Grove Village, IL  
July 31, 2008

The DiSTeK Group of Israel announces the creation of their new affiliate DISTEK NA LLC today. DISTEK NA is jointly owned by Dr. Isaak Shtiken, Mr. Moshe Moked and Mr. Martin Straus.

DISTEK NA will sell and service DiSTeK Group's patented form of "Sharardizing" thermal diffusion vapor zinc deposition system trade named **ArmorGalv<sup>®</sup>**, in North and South America.

**ArmorGalv<sup>®</sup>** is the successor to the ***Unstain Process***, which has been permanently retired, recipient of the ***US EPA'S MVP<sup>2</sup> Award*** in 2006. (Most Valuable New Technology)
